The Traffic report is being prepared based on information received from scheduled domestic airlines.

## **On-Time Performance (Scheduled Domestic Airlines)**

On-Time Performance (OTP) of scheduled domestic airlines has been computed for four metro airports viz. Bangalore, Delhi, Hyderabad, and Mumbai. Airline-wise OTP at four metro airports for the month of December 2023 is as follows:

Airport-wise On-Time Performance of scheduled domestic airlines complying with Route Dispersal Guidelines is as follows:

The Traffic report is being prepared based on information received from scheduled domestic airlines.

### Alliance Air

### Spicejet

The Traffic report is being prepared based on information received from scheduled domestic airlines.

The Traffic report is being prepared based on information received from scheduled domestic airlines.

### AIX Connect

### Akasa Air

The Traffic report is being prepared based on information received from scheduled domestic airlines.

Reasons for delay have been analysed, which are presented below. It has been found that majority of delays have been attributed to 'Reactionary'.

## Revenue Earned& Seats Sold in Highest Fare Bucket

The revenue earned and the number of seats sold by scheduled airlines in the highest fare bucket on selected 20 sectors is as follows:

### Air India

The Traffic report is being prepared based on information received from scheduled domestic airlines.

# Indigo

The Traffic report is being prepared based on information received from scheduled domestic airlines.

# Spicejet

The Traffic report is being prepared based on information received from scheduled domestic airlines.

# Vistara

The Traffic report is being prepared based on information received from scheduled domestic airlines.

# AIX Connect

The Traffic report is being prepared based on information received from scheduled domestic airlines.

### **Compliance of CAR Section 3, Series M, Part IV**

In accordance with the Civil Aviation Requirement Section 3, Series M, Part IV, airline are required to submit data on number of cases of denied boarding, cancellations and delays along with the status on a monthly basis.

| Airline      | Denied Boarding     |                                                                                                                                                                                         | Cancellations       |                                                                                                                                                                                                   | Delays Beyond 2 Hrs |                                                                                                                                                             |
